Manner of Use and Place of Use of the Public Waters  
of the State of Nevada Heretofore Appropriated**

15. Remarks: [continued from application] Pumping pursuant to the portion of the base water right described in this application (#52049) is presently occurring at the point of diversion described in this application pursuant to temporary permit no. 61029T. The purpose of this application is to eliminate the need for filing temporary applications on an annual basis by permanently moving the referenced portion of the base water right to the existing effective point of diversion. In the event this application is approved, temporary permit no. 61029T will expire and be instantaneously replaced by this approved permit.
